

Last Revised 04/16/02

TECHNICAL PUBLICATIONS

Missouri Department of Conservation Division of Fisheries

1. Morris, Albert G. 1939. Propagation of channel catfish. Progressive Fish-Culturist 44: 23-27.
2. Weyer, Albert E. 1940. The Lake of the Ozarks: A problem in fishery management. Progressive Fish-Culturist 51:1-10.
3. Several Authors. 1943. Symposium on science in conservation during war times. Transactions of the Academy of Science of St. Louis 31(3):58-62. Includes:

Bode, Irwin T. Science in conservation during war times. Pages 49-58.

Bauman, Aden C. Scientific approach to the conservation of fisheries resources. Pages 58-62.
4. Bauman, Aden C. 1946. Fish populations in unmanaged impoundments. Transactions of the North American Wildlife Conference 11:426-433
5. Funk, John L. 1949. Wider application of the electrical method of collecting fish. Transactions of the American Fisheries Society 77:49-60.
6. Borges, Milton H. 1950. Fish distribution studies, Niangua Arm of the Lake of the Ozarks. Journal of Wildlife Management 14(1):16-33.
7. Barnickol, Paul G., and William C. Starrett. 1951. Commercial and sport fishes of the Mississippi River between Caruthersville, Missouri, and Dubuque, Iowa. Illinois Natural History Survey Bulletin 25(5):267-350.
8. Lowry, Edward M. 1951. A nomograph for rapid back calculation of fish lengths. Progressive Fish-Culturist 13(4):199-204.
9. Berner, Lester M. 1951. Limnology of the lower Missouri River. Ecology 32:1-12.
10. Barnickol, Paul G., and Robert S. Campbell. 1952. Summary of selected pond studies in Missouri. Journal of Wildlife Management 16(3):270-274.

11. Kathrein, Joseph W. 1953. An intensive creel census on Clearwater Lake, Missouri, during its first four years of impoundment, 1949-1952. Transactions of the North American Wildlife Conference 18:282-295.
12. Patriarche, Mercer H. 1953. The fishery in Lake Wappapello, a flood control reservoir on the St. Francis River, Missouri. Transactions of the American Fisheries Society 82:242-254.
13. Several authors. 1953. Black River Studies. The University of Missouri Studies 26(2) Includes:

Campbell, Robert S., and John L. Funk. The Black River Basin in Missouri. Pages 11-21.

O=Connell, Timothy R., Jr., and Robert S. Campbell. The benthos of Black River and Clearwater Lake, Missouri. Pages 25-41.

Martin, Robert G., and Robert S. Campbell. The small fishes of Black River and Clearwater Lake, Missouri. Pages 45-66.

Funk, John L., and Robert S. Campbell. The population of larger fishes in Black River, Missouri. Pages 69-82

Patriarche, Mercer H., and Edward M. Lowry. Age and rate of growth of five species of fish in Black River, Missouri. Pages 86-109.

Funk, John L. Management and utilization of the fishery of Black River, Missouri. Pages 113-122.

Campbell, Robert S., and John L. Funk. Appraisal of the fishery of Black River, Missouri. Pages 125-128.
14. Barnickol, Paul G. 1944. The effect of sewage on aquatic life. Journal of the Missouri Water and Sewerage Conference 15(1):57-63.
15. Witt, Arthur, Jr., and Richard C. Marzolf. 1954. Spawning behavior of the longear sunfish, *Lepomis megalotis megalotis*. Copeia 1954 (3):188-190.
16. Marzolf, Richard C. 1955. Use of pectoral spines and vertebrae for determining age and rate of growth of the channel catfish. Journal of Wildlife Management 19(2):243-249.
17. Starrett, William C., and Paul G. Barnickol. 1955. Efficiency and selectivity of commercial fishing devices used on the Mississippi River. Illinois Natural History Survey Bulletin 26(4):323-366.
18. Walker, Charles R. 1955. A core sampler for obtaining samples of bottom muds. Progressive Fish-Culturist 17(3):140.

19. Walker, Charles R. 1955. A modification of the Kemerer water sample for sampling shallow water. *Progressive Fish-Culturist* 17(1):41.
20. Funk, John L. 1956. Movement of stream fishes in Missouri. *Transactions of the American Fisheries Society* 85:39-57.
21. Funk, John L. 1956. Missouri creel censuses on streams and impoundments. Pages 30-38 in K. D. Carlander, editor. *Symposium on sampling problems in creel census*. Department of Zoology and Entomology, Iowa State College, Ames, Iowa.
22. Funk, John L. 1957. Relative efficiency and selectivity of gear used in the study of fish populations in Missouri streams. Pages 31-43 in K. D. Carlander, editor. *Symposium on evaluation of fish populations in warm-water streams*. Department of Zoology and Entomology, Iowa State College, Ames, Iowa.
23. Funk, John L. 1957. The Missouri Conservation Commission=s electric seine. Pages 85-89 in K. D. Carlander, editor. *Symposium of evaluation of fish populations in warm-water streams*. Department of Zoology and Entomology, Iowa State College, Ames, Iowa.
24. Marzolf, Richard C. 1957. The reproduction of channel catfish in Missouri ponds. *Journal of Wildlife Management* 21(1):22-28.
25. Purkett, Charles A., Jr. 1957. A study of the tagged fish present in a fishery census station. Pages 12-22 in K. D. Carlander, editor. *Symposium on evaluation of fish populations in warm-water streams*. Department of Zoology and Entomology, Iowa State College, Ames, Iowa.
26. Purkett, Charles A., Jr. 1957. A comparison of stream fish population estimates. Pages 57-63 in K. D. Carlander, editor. *Symposium on evaluation of fish populations in warm-water streams*. Department of Zoology and Entomology, Iowa State College, Ames, Iowa.
27. Walker, Charles R., and Ralph M. Burress. 1957. Two modifications of the Secchi disk. *Progressive Fish-Culturist* 19(4):167.
28. Barnickol, Paul G. 1958. Pollution and the aquatic life in our streams with special reference to mine pollution. Pages 17-20 in *Selected Papers from the Air and Water Pollution Conference*, University of Missouri Engineering Experiment Station, Engineering Series Bulletin 45, Columbia, Missouri.
29. Funk, John L. 1958. Relative efficiency and selectivity of gear used in the study of stream fish populations. *Transactions of the North American Wildlife Conference* 23:236-248.

30. Patriarche, Mercer H., and Robert S. Campbell. 1958. The development of the fish population in a new flood-control reservoir in Missouri, 1948 to 1954. *Transactions of the American Fisheries Society* 87:240-258.
31. Purkett, Charles A., Jr. 1958. Growth of the fishes in Salt River, Missouri. *Transactions of the American Fisheries Society* 87:116-131.
32. Purkett, Charles A. Jr. 1958. Growth rates of Missouri stream fishes. Missouri Department of Conservation, Division of Fisheries D-J Series No. 1. 46pp.
33. Fleener, George G. 1958. A method for marking fish with an electrical burning device. *Progressive Fish-Cultures* 29(3):140-142.
34. Bennett, George W., and Gilbert F. Weiss. 1959. Fishing pressure and the empty creel. *Illinois Wildlife* 14(4):8-9.
35. Walker, Charles R. 1959. Control of certain aquatic weeds in Missouri farm ponds. *Weeds* 7(3):310-316.
36. Walker, Charles R. 1960. Herbicides. Page 272 in *Biological problems in water pollution, transactions of the 1959 Seminar*. USDHEW, PHS, RATSEC, Technical Report W60-3, Washington, D. C.
37. Purkett, Charles A., Jr. 1961. Reproduction and early development of the paddlefish. *Transactions of the American Fisheries Society* 9:125-129.
38. Burress, Ralph M. 1961. Fishing pressure and success in areas of flooded standing timber in Bull Shoals Reservoir, Missouri. *Proceedings of the Southeastern Association of Game and Fish Commissioners* 15:296-297.
39. Burress, Ralph M. 1962. A quantitative creel census on two arms of Bull Shoals Reservoir, Missouri. *Proceedings of the Annual Conference Southeastern Association of Game and Fish Commissioners* 16:387-398.
40. Fajen, Otto F. 1962. The influence of stream stability on homing behavior of two smallmouth bass populations. *Transactions of the American Fisheries Society* 91:346-349.
41. Fisher, Herbert J. 1962. Some fishes of the lower Missouri River. *American Midland Naturalist* 68(2):424-429.
42. Fry, James P. 1962. Harvest of fish from tailwaters of three large impoundments in Missouri. *Proceedings of the Annual Conference Southeastern Association of Game and Fish Commissioners* 16:405-410.

43. Hanson, Willis D. 1962. Dynamics of the largemouth bass population in Bull Shoals Reservoir, Missouri. Proceedings of the Annual Conference Southeastern Association of Game and Fish Commissioners 16:398-404.
44. Walker, Charles R. 1962. Toxicological effects of herbicides on the fish environment. Pages 17-33 in R. H. Luebbers, editor. Proceedings of the 8th Annual Air and Water Pollution Conference. The University of Missouri Bulletin, Engineering Extension Series Bulletin No.2, Columbia, Missouri. 56pp.
45. Funk, John L., compiler. 1963. Abstracts of fishery research reports. No. 1 (1962). Missouri Conservation Commission, Division of Fisheries. 63pp.
46. Hanson, Willis D. 1963. An economical safety switch for electrofishing. Progressive Fish-Culturist 25(2):87.
47. Hanson, Willis D., and Robert S. Campbell. 1963. The effects of pool size and beaver activity on distribution and abundance of warm-water fishes in a north Missouri stream. American Midland Naturalist 69(1):136-149.
48. Poole, Richard L., Donald R. Kuester, and Arthur Witt, Jr. 1963. The status of spearfishing and the use of SCUBA in fish management programs in the freshwaters of the United States. Transactions of the American Fisheries Society 92(1):30-33.
49. Purkett, Charles A., Jr. 1963. The paddlefish fishery of the Osage River and the Lake of the Ozarks, Missouri. Transactions of the American Fisheries Society 92(3):239-244.
50. Purkett, Charles A., Jr. 1963. Artificial propagation of paddlefish. Progressive Fish-Culturist 25(1):31-33.
